Mills County Fair Board members Chad McCollester, Brady Smith, Bob Blum, Nathan Mass and Woody Wright were present to give the Board an update on the proposed Fair Board Building. The members expressed a need for a legal agreement of property for a future building. The Auditor will contact the County attorney and have him work with the fair board to get this process done as soon as possible.

A bid was presented in the amount of \$5980 to purchase a Lanier LD625 copier, scanner, fax and network printer with digital color imaging from Counsel Office in Harlan, Iowa.

Supervisor Mayberry suggested that another vendor be contacted to see if this could be purchased for a lesser cost. Mayberry will get the contact information of the other company to the building department.

Since the department is currently without a copier and in order to expedite the process to purchase, a motion was made by Crouch seconded by Mayberry to allow the building department to make a purchase of a copier not to exceed an amount of \$6000.

Motion carried on a vote: Ayes: 3 Nays: 0

Revisions need to be made to the change orders for the new law enforcement center so a discussion will be held regarding these changes at the jail meeting on Wednesday morning with Mecco-Henne and Prochaska and Associates representatives.

The Board received the Recorder's October statement of fees and the September jail report from the Sheriff Department.

There being no further business to come before the Board at this time, they adjourned to meet on Tuesday, November 12, 2013.

Chairman, Ron Kohn
