## Lake George Park

59490 380th St

Hastings, IA

*(3 miles west of Emerson on H34, south of Indian Creek Museum)*

This 7-acre park offers a 2-acre pond with 2 picnic shelters that can be used on a first come first serve basis, or shelter reservations can be made at least one week in advance of the desired date, for a non-refundable fee of \$25.00 per day. There are gravel parking lots near each shelter area, allowing for easy public access. There are a total of 6 picnic tables on site, with 2 group grills and 1 pedestal grill. Lake George is a very good birding area due to the close proximity to Indian Creek and the access to both live and dead trees for bird use.

This park is open to non-consumptive recreational use. It is illegal to remove, injure, destroy, or deface any natural or man-made structures or materials, including trees, flowers or wildlife except with written permission of the Mills County Conservation Board. Mushrooms, fruits and nuts can be harvested for personal use.
